CHOOSING THE CORRECT PLAYSET FOR YOUR CHILDREN

Choosing the correct playset for you children can sometimes be a challenging decision. Here are some product high lights that might help you make your decision.

- The Watch Tower and Play Tower are a great entry level tower that can have fun for the younger and middle age.
- The Summit Tower brings an extra swing and climbing options to your children.
- The Deluxe Sky Tower and King's Tower brings all the options and fun play that will keep your young and old alike busy!
- The Eagles Nest is a great option for you if you are looking at buying a smaller tower and want to add on to it later on.
- Gang Plank is ideal for all age groups but small children can enter the tower with ease.
- Steps are a great entry as well, but your younger children might need some assistance to climb. Adding Hand Rails is a great choice for your youngster to hold onto while climbing.
- Rock Climbs are great for older children that are looking for that challenge that takes play to the next level.
- 10' Slide is great for the novice slider but still has fun for the middle age child.
- 14' Slide is a fun ride that will keep you older children happy at all times. The Younger ones will take time to adapt to it.
- Turbo and Side Winder Slides add a wonderful twist to their ride.
- Swing Beam Height, The Easy Ride is a wonderful ride and will keep younger and middle age children happy; however when you upgrade to the High Ride your older children will enjoy the thrill and have a blast!
- The Sling Swing, Trapeze with Rings, Horse Glider, and Baby Swing are our most common swing accessories. However if you want to add a twist to your set the Bouy Ball, Vinyl Tire Swing, and Bird's Nest Swing are great options. The Hammock Swing is the perfect place for an adult to sit while watching the children play or maybe a great place for your bookworm to curl up with a book and relax.
- Add a Picnic Table or Kitchen Kit for your youngster to enjoy outdoor meals.
- The Steering Wheel, Super Scope and Binoculars are great addons for your younger children!
- The Fireman's Pole and Climbing Pole are used a lot by your middle to older age children.

Use of Equipment

Play Mor Swing Sets are designed for use by children. While the manufacturer has made sincere efforts to build safe and high-quality play equipment, it is recommended that use of the equipment by children be carefully supervised by adults.

Maintenance

Accidents and personal injury can happen on any play equipment. An adult should periodically inspect the equipment for loose bolts or other parts, and for sharp edges caused by damage to the equipment. Necessary repairs should be made prior to additional use. The equipment must be assembled by an adult, and children should not be permitted in the area during assembly.

The polymer coated wood used in Play Mor's poly line will not need treatment or stain of any kind. The wood under the poly is treated with a non-toxic borate compound that offers optimal protection against the environment and keeps your children safe. The compound is certified organic so you can rest assured that your environment as well as your children are safe.

Fantastic Job Installing our Swing Set. They were very particular as then installed and cleaned up afterward. Thanks for a great job and products.

WOOD WARRANTY

FIVE YEAR LIMITED WARRANTY

TEN YEAR LIMITED WARRANTY (Specified Components)

Five Year Limited Warranty: Hershberger Lawn Structures, Ltd., 8990 SR 39, Millersburg, Ohio 44654, hereinafter the Company, warrants to the original purchaser its Play Mor Swing Sets to be free from defects in material and workmanship for a period of five (5) years from the date of sale.

Ten Year Limited Warranty: The Company warrants to the original purchaser (1) all treated yellow pine wooden components against damage caused by termites and fungal decay and (2) its metal braces, Play Mor Scoop Wave Slides, and Play Mor Baby Swings to be free from defects in material and workmanship for a period of ten (10) years after the original purchase date.

General Provisions Applicable to Both Warranties: "Defects" do not include surface rust on metal parts and chains; surface checking and cracking on wood which does not affect the structural integrity of the Swing Set; mold growth; fading, peeling, blistering, or any other deterioration of the factory coating application; or fading of colors on unit components and therefore such conditions are not covered by these warranties.

Our obligation under these warranties is expressly limited to repairing or replacing, at our option, any parts of the warranted item found by us to be defective in material or workmanship.

The Company's obligation under these warranties shall not include any transportation charges, cost of installation, nor any liability for special, indirect or consequential damage or delay, whether arising in contract, in tort, under warranty, or otherwise. Some states do not allow the exclusion or limitation on incidental or consequential damages, so the foregoing limitation or exclusion may not apply to you. The Company shall not be held liable under warranty for damage arising from transport, vandalism, or improper handling and storage at the site of any dealer or reseller prior to installation. Any improper use or abuse of the warranted item shall void this warranty. This limited warranty extends only to items used for personal, household or residential use, and not to public, commercial or other use.

The Company makes no other warranty, expressed or implied. The Company makes no warranty of merchantability or fitness for any particular purpose beyond the term of the express warranty; however, some states do not allow limitations on how long an implied warranty lasts, so this exclusion may not apply to you. No employee or representative is authorized to change this warranty in any way or grant any other warranty on behalf of the Company.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
